

STAINLESS STEEL CENTER

Welcome Message

- Dive into a world of stainless steel excellence with Stainless Steel Center. Specializing in industrial and decorative stainless steel applications, we pride ourselves on offering a diverse range of stainless steel accessories, spider canopy systems, innovative machines, and cutting-edge designs for stainless steel handrails and sheet metal shaping. Our dedication to innovation, creativity, hard work, and precision timing defines our commitment to quality.

At Stainless Steel Center, we believe in transparency, integrity, and leveraging our extensive experience to deliver top-notch results. Our core values of honesty, dignity, and industry expertise drive us to produce exceptional outcomes in every project we undertake.

We strive to create a welcoming and collaborative atmosphere for our customers. Experience the blend of craftsmanship and companionship at Stainless Steel Center.

Welcome to a journey of stainless steel craftsmanship and creativity with Stainless Steel Center!"

About Us

— Let's Talk About Our Business

- Founded in 2000, **Stainless Steel Center** has built a proud legacy of excellence, completing over **400 successful projects** ranging from intricate decorative work to large-scale industrial applications. Our story is one of craftsmanship, innovation, and an unrelenting focus on detail.
- We are driven by a passion for creating **exceptional finishes** and **visually striking designs** that resonate with our clients' vision. Our deep experience enables us to push the boundaries of traditional design, fostering a culture of **creativity, collaboration, and technical precision** within our team.
- Our portfolio includes high-profile projects with esteemed entities such as the **Public Authority for Industry, Ministry of Health of Kuwait, KBT Tower, Public Authority for Sport,** and the **Ministry of Public Works**—each serving as a testament to our expertise and dedication.
- At Stainless Steel Center, **precision is paramount**. Every material is carefully selected, and every element is crafted and inspected **in-house**, ensuring the highest standards before delivery to our valued clients.

Our Mission

At **Stainless Steel Center**, our mission is rooted in the core values of **honesty, integrity**, and an **unwavering commitment to customer satisfaction**. We are devoted to delivering **exceptional craftsmanship** that enhances both the beauty and functionality of every project we undertake.

Driven by a passion for **innovation**, we embrace creativity and incorporate the **latest materials and technologies** to produce visually compelling designs that set new industry benchmarks. Our seamless integration of **design and fabrication** ensures that each element works in harmony, resulting in optimal outcomes tailored to every client's needs.

With decades of experience behind us, we stand by a promise of **quality workmanship**, delivering nothing short of excellence — every time.

Combine honesty, integrity, and innovation to deliver unparalleled satisfaction and stunning stainless steel solutions.

Stainless Steel Center envisions becoming a pioneering force in the stainless steel industry, pushing boundaries with innovative designs and exceptional quality.

At Stainless Steel Center, our values of honesty, integrity, and customer satisfaction drive every aspect of our work, ensuring excellence in all that we do.

Our Services

- At **Stainless Steel Center**, we provide a **comprehensive suite of stainless steel solutions**, designed to meet a wide spectrum of needs—from detailed decorative work to large-scale industrial executions.
- Our core services include:
- **Custom Fabrication & Installation** of stainless steel accessories
- **Spider Canopy Systems** engineered for strength and visual appeal
- **Advanced Machine Work**, including precision **welding** and **cutting**
- **Made-to-order Stainless Steel Handrails** and architectural features
- **Tailored Design Solutions** crafted to client specifications
- With a focus on **quality, durability, and innovation**, every project we deliver reflects our commitment to **technical excellence** and **aesthetic precision**. Backed by decades of hands-on experience, we ensure every detail is handled with care—from **concept to completion**.

2000+ Projects

With over 2000 successful projects completed, Stainless Steel Center has proven expertise and a proven track record of delivering exceptional results in stainless steel craftsmanship.

278+ Customers

Servicing a loyal customer base of over 278 clients, Stainless Steel Center is trusted for its quality service and innovative stainless steel solutions.

365+ Products

Offering a diverse catalog of over 365 quality products, Stainless Steel Center provides a wide array of stainless steel solutions to meet various needs and preferences.

Our Products

Accessories & Polishing

With an extensive range of accessories and polishing products, Stainless Steel Center offers a diverse selection to enhance and maintain the shine and quality of stainless steel surfaces.

01 S.S Accessories

A large variety from spider canopy system to smallest products to meet your needs

02 Polishing goods

From grinding tools and machines to chemical solutions to give you the best output

03 Pipes & sheets

Authoritatively fashion proactive proactive architectures idea without Dolor sit architectures.

Our Products

KinLong Hardware and Spider System

Official Kinlong Hardware Supplier in Kuwait

Stainless Steel Center is an **official supplier of Kinlong architectural hardware systems**, providing high-quality products trusted by professionals around the world.

Kinlong offers a wide range of hardware solutions, including:

- Door and Window Systems:** strong, durable, and modern systems with excellent insulation and performance
- Glass Fittings:** spider fittings, clamps, and hardware for frameless glass facades
- Stainless Steel Railing Systems:** complete railing accessories and supports
- Door Control and Locking Hardware:** hinges, locks, handles, door closers, and smart locking systems
- Aluminum Door and Window Accessories:** rollers, friction hinges, seals, screws, and other parts
- Smart and Energy-Efficient Solutions:** solar-powered systems, smart window controls, and more

As a trusted Kinlong partner, we ensure our clients have access to the best and most reliable hardware in the market.

Subject: Boulevard Project - BP7 – Architectural Works
Stainless Steel Handrail around Main Lake

Dear Mr. Haig,

Reference to your letter ref: Wara/Projacs/SPP/BP7/370/03-15 dated 15th March 2015 regarding the above mentioned subject, please note that as per approved mock up at site vide RIAA # ARCH/ML/3784 Rev. 1 where the stainless steel posts spacing have been increased from 1m distance to 1.25m and 1.5m.

We anticipate reduction in your submitted cost proposal vide letter Ref. Wara/Projacs/SPP/BP7/317/12-14 dated 07th December 2014.

Based on the above, you are requested to submit revised cost proposal in order to forward to Owner for approval.

Best regards,

الاتفاقية رقم 88/ص/أه/لأجل دراسة وتصميم والإشراف على مشروع الاستفادة من المياه المعالجة في الزراعة التجميلية في دولة الكويت - المرحلة "D"
Agreement No. EF/S/88 For the Study, Design and Construction Supervision of Beautification and Greenery within Area "D" and their Associated Transmission Lines

Date: 13th July 2025

الموضوع: شهادة إلى من يهمه الأمر

Subject: To whom it may concern

Referring to above subject, we extend our sincere gratitude and appreciation to **Stainless Steel Center Company** for their outstanding efforts and professional achievement in the construction, operation, and maintenance of the TSE network and tanks for the project area Phase Area - D1.

Based on above, Stainless Steel Center Company has demonstrated high efficiency and a strong commitment to quality and precision throughout all implementation stages, significantly contributing to the project's success in meeting the required standards and specifications within the scheduled timeframe.

Accordingly, we highly value your productive cooperation and the exceptional teamwork you exhibited, which were key factors in the success of this project. We wish you continued success and prosperity in your future endeavors and look forward to further fruitful collaboration.

This is for information.

Best regards,,

Salem El-Wassif
Resident Engineer
CDM smith in Association with Gulf Consult

بالإشارة إلى الموضوع المذكور أعلاه ، فإننا نتقدم بخالص الشكر والتقدير إلى شركة مركز الستانلس ستيل، وذلك لجهودهم المتميزة وإنجازهم الاحترافي في مشروع انشاء وتشغيل وصيانة شبكة TSE والخزانات لمنطقة المشروع مرحلة - Area D1.

بالإضافة إلى ما ذكر سابقاً ، فقد أظهرت شركة مركز الستانلس ستيل كفاءة عالية والتزاماً بالجودة والدقة في جميع مراحل التنفيذ، مما ساهم بشكل فعال في تحقيق أهداف المشروع وفقاً للمعايير والمواصفات المطلوبة وفي الوقت المحدد.

وعليه ، فإننا نقدر تعاونكم المثمر وروح الفريق العالية التي تحليتم بها ، والتي كانت عاملاً رئيسياً في نجاح هذا المشروع. نتمنى لكم دوام التوفيق والنجاح في مشاريعكم المستقبلية، ونتطلع إلى مزيد من التعاون المثمر.

هذا للعلم.
